Supporting Sponsors Announced for Veterans Charity Benefit Event

JACKSONVILLE, Fla., May 18, 2018 /[PRNewswire-USNewswire](#)/ -- Warriors and the most passionate supporters of Wounded Warrior Project® (WWP) will be honored at the Courage Awards & Benefit Dinner® in New York City on May 31 at Gotham Hall. The Gabriel and Yaara Plotkin Family Foundation is this year's supporting sponsor, whose commitment, along with support from Goldman Sachs, Neuro Community Care, and the NFL Players Association are making the 2018 Courage Awards & Benefit Dinner possible.

"We're thankful for the generosity of this year's sponsors," said WWP CEO Lt. Gen. (Ret.) Mike Linnington. "The Courage Awards & Benefit Dinner is an important evening where we take the time to recognize the efforts of those who have gone above and beyond supporting the needs of our nation's wounded veterans. Without the generosity of Gabe and Yaara Plotkin, Goldman Sachs, Neuro Community Care, and the NFL Players Association, this evening would not be possible."

Through support garnered from ticket sales, donations, and a special auction featuring several unique experiences and items for sale, the Courage Awards & Benefit Dinner empowers warriors served through WWP's free programs and services.
